driver side passenger [REDACTED]. While attempting to disperse the above listed occupants of MA reg. [REDACTED] they became argumentative and began yelling and using offensive language at Officers while refusing to comply with Officers orders to leave the area. Officer Burke whom was directing [REDACTED] to leave, observed him [REDACTED] to be moving in reverse direction, jeopardizing the safety of several Officers and a motorist whom was directly behind it. Officer Burke utilizing his riot stick, struck the top driver side corner of the windshield of MA [REDACTED] in order to alert and prevent operator, [REDACTED] from causing anyone injury. MA reg. [REDACTED] now proceeded down Boylston Street towards Charles Street.

Officers now began focusing their attention on other motorists and gatherers in attempts to clear them from the area. About a minute or so later, Officer Lopes and Burke observed MA reg. [REDACTED] traveling on Arlington Street towards a large group of Officers whom were at Boylston and Arlington Street. Officer Lopes observed said vehicle traveling at a high rate of speed on Arlington Street passed Boylston Street. Officer Lopes observed the vehicle go around another motor vehicle that was backing up and take a right turn onto Providence Street. Officer Lopes specifically observed the brake lights of the motor vehicle stopped on Providence St. Officers then within seconds heard approximately 10 gunshots in rapid succession emanating from the direction of where MA reg. [REDACTED] was observed. Officers et al fearing for their safety began taking cover as they believed they were being shot at. MA reg. [REDACTED] then fled down Providence Street towards Berkeley Street. Officer Lopes whom is familiar with the area alerted Officers that the vehicle would be coming back out to Boylston Street. Officer Rodrigues (front passenger) and Sgt. Det. Assad (Operator) got into an un-marked cruiser and began traveling on Boylston Street against traffic in order to cut off the fleeing vehicle. As Sgt. Det. Assad and Officer Rodrigues were approaching Berkeley Street, they observed MA reg. [REDACTED] turn from Berkeley Street onto Boylston Street towards them (Officers). Sgt. Det. Assad made a U-turn and got behind the vehicle and activated the cruiser lights and sirens in order to affect a stop. MA reg. [REDACTED] ignored Officers lights and sirens and began fleeing inbound on Boylston Street towards Arlington Street. It continued across Arlington Street and was tactically boxed in with the assistance of Sgt. Det. P. Quinn at about 200 Boylston Street. Given the nature of the incident Officer Rodrigues, Sgt. Det. Quinn and Sgt. Det. Assad approached the motor vehicle with their service weapons drawn while giving strict commands for the occupants to show their hands and not move. Specifically, Officer Rodrigues approached the passenger side and the Sgt. Det Assad and Quinn simultaneously approached the driver side of the vehicle. The front passenger, [REDACTED] exited the vehicle and was secured. Sgt. Det Quinn and Assad removed [REDACTED] and [REDACTED] from the vehicle and secured them. The remaining occupant [REDACTED] was also removed and secured. Officer Rodrigues whom was standing by the front passenger of the motor vehicle observed a tan/green semi-automatic firearm on the front passenger floor mat on "lock back." Officer Rodrigues alerted officers on-scene of the presence of the firearm within the vehicle. At this time numerous units arrived on-scene to assist. All vehicle occupants were separated and interviewed. As it stands MA reg. [REDACTED] was towed by Auto Service and Tire to BPD Headquarters pending a search warrant.
